

Wedding Video Features

DISC & CASE LABELS

We offer full Color DVD artwork that we create in Photoshop® CS3 Extended

PROOF COPY

Everything has to be right with your video and In order to insure this happens, we always provide a "proof copy" No one else is offering this level of service.

Your DVD cases will include beautiful artwork with...

- Easy to find "Spline Labels"
- Full size DVD cases.
- High quality full color printing

DVD FEATURES

All our wedding video's include the following disc features

- Menu Options
- High Definition 720x480 30fps
- Better than CD quality Audio

Full color disc and case labels are included with all packages, we don't miss any details.

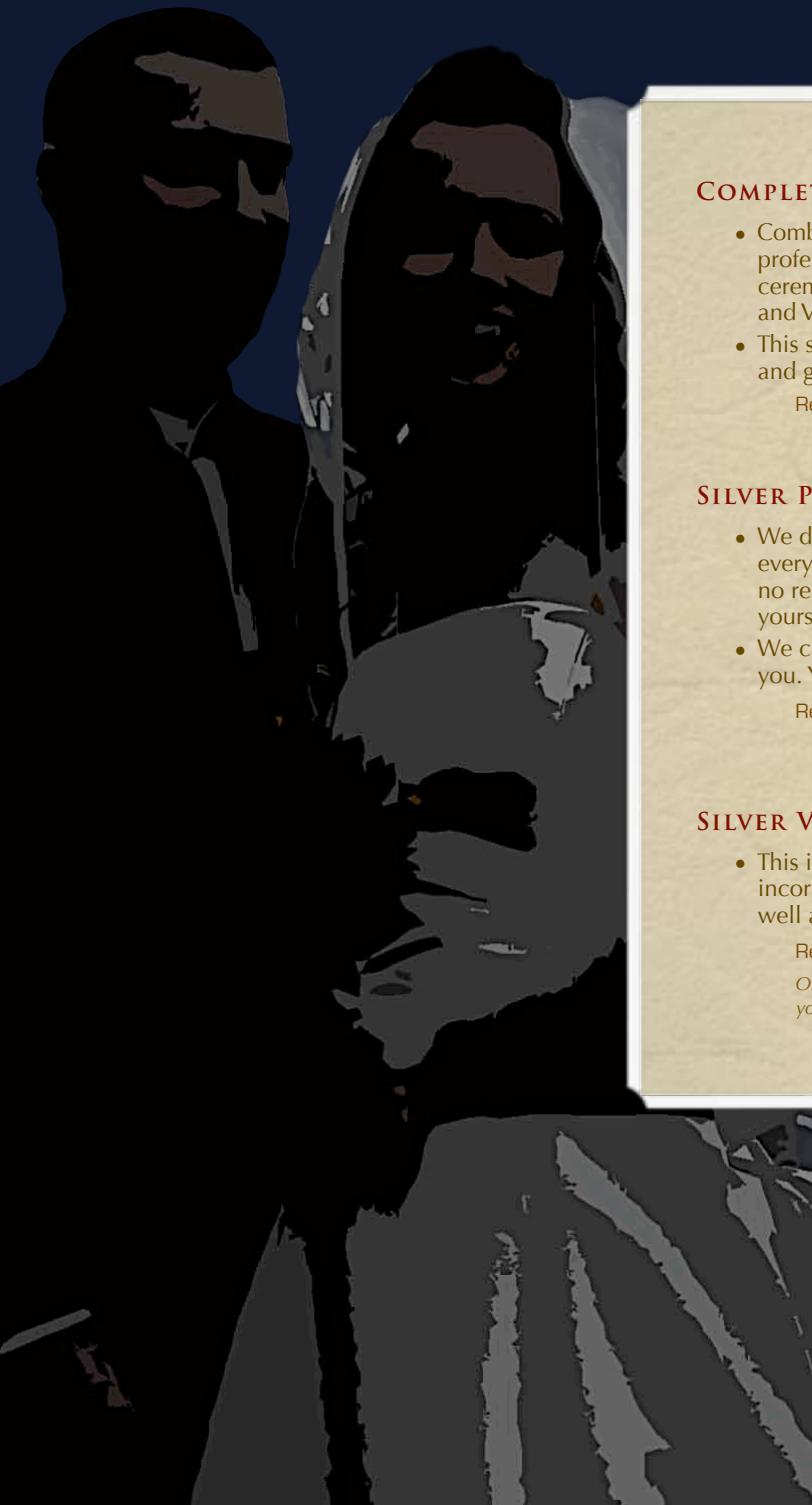

We offer the highest quality wedding productions in Atlantic Canada.

No one else includes all the features we do, as well as a PROOF COPY.

We use the same equipment and film making techniques as Discovery Channel and movie production companies.

A video screen is our canvas. Our artistic approach to editing and filming makes our productions shine. Choose Wild Lupin when you want the best.
